Foreword

The year 1967-1968 has seen many new changes, both expected and unexpected. It has laid the groundwork for a progressive change in Edison Senior High School. Many new faces were seen in the faculty and student body, but perhaps the biggest change was that of our new principal, Mr. Ryska.

For the Seniors, there have been many "moments to remember." The past four years have brought memories of some of the most treasured times of our lives. These years have set the foundation for the lives we will lead as men and women of tomorrow.

Sincerely,

Deb Odar

As you glance through your yearbook, the staff hopes you will be left with this thought . . . The year of 1968 had many moments worth remembering . . . This is the theme we have attempted to carry out and the following song will help to bring this idea to mind . . .

CLASS FLOWER . . . red rose

CLASS COLORS . . . blue and white

MOTTO . . . KNOWLEDGE COMES, BUT WISDOM LINGERS!

"Moments To Remember"

Our Freshman year, it seemed so long,
The first time we had sung our old school song.

Our Sophomore year, we had such fun,
At games we yelled for old Edison.

Our Junior year, we were busy,
With the prom being so very near,
The laughter and soft music
Of Bali Hai, I'll always hear.

We're Seniors now, there's not many days,
Until we'll be gone our separate ways.

Though, summer turns to winter
And the present disappears
The laughter we were glad to share
Will echo through the years.

... We will have these moments to remember ...

Mr. Wayne Ryska, Principal

Thank you, students of Edison High School, for making my first year as principal a success. The cooperation you have given the faculty and staff further strengthened the success of this past year. It makes one feel humble, but proud, to be associated with such a group of students as those here at this high school.

With the type of ambition and desire expressed by the senior class, these qualities will help them to achieve any endeavors they might seek out in later life. If their past is any indication of their future, this class should be most successful. The staff would also like to extend their congratulations to the seniors for their achievements and accomplishments the past four years.

TO THE SENIORS MAY I LEAVE THESE THOUGHTS FROM AN OLD ENGLISH PRAYER.

"Take time to Work it is the secret of success
Take time to Think it is the source of power
Take time to Read it is the foundation of wisdom
Take time to Play it is the secret of perpetual youth
Take time to be Friendly it is the road to happiness
Take time to Dream it is hitching your wagon to a star
Take time to Love and be Loved it is the privilege of the gods
Take time to Look Around it is too short a day to be selfish."

GOOD LUCK AND MUCH SUCCESS TO THE SENIOR CLASS

"Moonlight And Roses"

The Junior-Senior Prom, its theme being "Moonlight and Roses," was held in the gym on April 26, 1968. The music was provided by Vito Manno and His Orchestra. The gym was appropriately decorated with dozens of roses and silhouettes of couples dancing under the moonlight. The post-prom party was held at the Sherwood Club, with music by the Five Sins. This was truly "a moment to remember."
